

Southern Business Women's Network Strategic Plan 2017 / 2018

Mission Statement

Our mission is to cultivate an environment where all women are able to network with confidence and equality, to be enriched through learning and to prosper through connection with women from a wide variety of backgrounds and professions. And to give back to the community

Vision Statement

To inspire women to grow personally and professionally

Values

Integrity, Respect, Equality, Empowerment, Enjoyment

Objectives

- 1. To help and support young women and men in the local community – looking at current social issues and working with local schools*
- 2. Subsidised workshops – to increase benefits for membership*
- 3. Professional Development for Committee Members – provide opportunities for Committee Members to develop professionally, relevant to their role and to define and articulate the benefits of involvement in the Committee.*
- 4. To offer opportunities and workshops with key note speakers such as Sue Barrett*

Action Plan

- 1. Elect a new Committee for 2017 / 2018*
- 2. Present current Strategic Plan and get buy in from Committee members*
- 3. Make any changes / new ideas*
- 4. Organise working groups + time lines*
- 5. Implement plan*
- 6. Review quarterly*
